The State Bookmobile made five visits to Nesmith Library in 1962, loaning a total of 374 adult books and 529 junior books.

The library also received gifts of books and magazines and grateful acknowledgement is made to the following donors: Mary Long, State of New Hampshire, Mrs. Joseph Crocker, Helen Wilson, Charles Stratton, Professor Frederick Burr.

On June 30, Mrs. Anna Bailey, President of the Windham Woman's Club, presented the Town of Windham two beautiful flags and standards, a gift of the Windham Woman's Club. The flags, the State Flag

of New Hampshire and the American Flag were placed on either side of the fireplace in the library. The American Flag is one that flew over the Capitol in Washington, D. C.

The acceptance speech, on behalf of the town, was made by Selectman Thomas Waterhouse. The board of selectmen and other guests were present.

Magazines now available for borrowing are Yankee, Popular Mechanics, Consumer's Bulletin, New Hampshire Profiles, McCalls, Ladies Home Journal, House Beautiful, American Home, Holiday, Reader's Digest, National Geographic, Jack and Jill and The American Girl.

# FIRE WARDEN'S REPORT

## PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible destruction.

Carelessly set man-caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control - pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 16 fires.

We burned 27 acres.

Permits issued: 300

# SELECTMEN'S REPORT

It has been our custom in making our annual report to highlight the unusual events of the past year as they concern this department. Certainly the most unusual and gratifying experience for us was to be able to establish a Tax rate lower than last year's, without any increase in the rate of assessment. This was due largely to the taxation of road building machinery located in our town for the construction of route 93.

Several new homes have been built in Windham in the past year and although the increase in population has been gradual the added cost of a larger population is reflected directly in our school budget which constituted approximately 75% of the total expenditures in 1962.

In 1963 we expect the percentage of school expenditures to be even higher since our town budget is expected to remain stable or be slightly reduced.

Highway construction has caused certain hardships to the townspeople but the advantages of route 93 for those traveling to or toward Boston are so great that previous inconveniences are minimized.

We expect that construction will begin on the section of route 111 between the center of town and West Windham this summer.

Improvements to town property in the past year include an underground oil tank and new doors for the Town Hall. Also repairs have been made to the Library steps. We plan in 1963 to do considerable repairing and redecorating to the interior of the Hall.

We are all indebted to the Women's Club for improvements to the approach to the Town Hall.

The cooperation of all Town officials, departments and boards have made 1962 a gratifying year for us and a year of progress for the town.

We wish to remind all that the business portion of Town Meeting will be held at Center School on the Wednesday evening following town meeting day.

Respectfully submitted,

# REPORT OF POLICE DEPARTMENT

FOR THE YEAR 1962

The year 1962 has been a very busy one for this department.

The construction of Route 93 has created problems we have not had before. It has been at times difficult to obtain enough special officers for the construction companies, for as many as fourteen a day were needed at times.

Numerous complaints have poured in of construction trucks going too fast, stones breaking windshields and littering roads.

We do not expect the added increase of traffic at the outlet at Route 111 to be lessened until the next section of road is opened.

Our expanding population and increasing traffic will also increase the work load of the police department.

## PLANNING AND ZONING REPORT FOR 1962

The Planning and Zoning Board has been meeting on the second Monday of the month with seven members present, to discuss future development of the town. They also held several Public Hearings and Special Meetings. Much time was spent on the town map naming roads. The map will be available in the near future at the Town Clerk's Office.

The following Sub-divisions were approved during the past year:

Windham Estates	by Mr. Raymond Barlow
Woodlawn Park	by Mr. Albro Snow
Breezy Gale Park	by Mr. Joseph Sawtelle
Shady Brook Park	by Mr. John Tokanel

To date there are approximately two hundred house lots approved and ready for building.

The Board approved many other plans that did not come under Sub-division regulations.

Several more plans are in process, but have not reached the final stage as yet.

Respectfully submitted,

RUSSELL B. LAMSON, Chairman

# AUDITORS' REPORT

Report of an examination and audit of the accounts  
of the

## TOWN OF WINDHAM

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1962

made by

## THE DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 12, 1963

Board of Selectmen

Windham, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Windham for the fiscal year ended December 31, 1962, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

#### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

#### FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1961 - December 31, 1962: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1961 and December 31, 1962, are presented in Exhibit A-1. As indicated therein, the Surplus increased by \$272.75, from \$26,979.70 to \$27,252.45, in 1962. Inasmuch as there were no outstanding long term notes or bonds on December 31, 1962, the Balance Sheet Surplus represented the Current Surplus on that date.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

#### Increase in Surplus

Net Budget Surplus	\$8,276.93
--------------------	------------

#### Decrease in Surplus

Cash Surplus Used to Reduce Tax Rate	\$8,000.00
--------------------------------------	------------

Actual Railroad Tax (1961) Under Estimate	<u>4.18</u>
---	-------------

	8,004.18
--	----------

Net Increase	
--------------	--

55

	\$ 272.75
--	-----------

## Comparative Statements of Appropriations and Expenditures -

Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1962, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net revenue surplus of \$8,646.77, less a net overdraft of appropriations of \$369.84, resulted in a net budget surplus of \$8,276.93.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1962, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1962, is indicated in Exhibit B-2.

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$26,979.70 to \$27,252.45, in 1962, as shown herewith:

	Dec. 31, 1961	Dec. 31, 1962
Total Assets	\$109,887.92	\$100,008.60
Current Liabilities	<u>82,908.22</u>	<u>72,756.15</u>
Current Surplus	\$ 26,979.70	\$ 27,252.45

### Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Windham for their assistance during the course of the audit.

O. Maurice Oleson,  
Auditor  
Laurence M. Bean,  
Accountant

Yours very truly,  
HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

February 12, 1963

### CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Windham for the fiscal year ended December 31, 1962. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1962, together with the results of operations for the fiscal year ended on that date.

O. Maurice Oleson,  
Auditor  
Laurence M. Bean,  
Accountant

Respectfully submitted,  
HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

### HEALTH DEPARTMENT

The 1962 budget was \$300.00

Spent \$199.12

#### COMMUNICABLE DISEASES:

- 6 cases of mumps
- 7 cases of measles
- 2 cases of scarlet fever
- 2 cases of whooping cough
- 17 dog bites

#### SANITATION:

- 19 cases of improper rubbish disposal
- Action was taken on 4 cases and 2 cases resulted in court action

#### PUBLIC HEALTH AND SAFETY:

- 32 cases were handled by the department in 1962
- 29 cases were complete
- 2 were continued to allow time for proper action to be taken
- 2 cases remain open and are under investigation at this time

The Department will ask the town meeting for an additional \$100.00 bringing the total budget to \$400.00 for 1963. This \$100.00 is to be used in the cleanup of rubbish dumped on our highways where it is impossible to trace ownership. On several occasions in 1962, when trash was not cleaned up immediately, other trash was dumped in the same area and it soon became an eyesore. Efforts to find the people responsible will continue. At the present time, four areas in town fall in this category, and it is the desire of the Health Department to make a complete cleanup as soon as weather permits.

# SCHOOL WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the school district in the town of Windham, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Center School on the 9th day of March, 1963 in said district at 1:00 o'clock in the afternoon to act upon the following:

By vote of the School Board the polls for this meeting will remain open from 1:00 o'clock in the afternoon to 4:00 o'clock in the afternoon and as much longer as the voters of the district may direct at the opening of the meeting.

Articles of the warrant not covered by ballot to be acted upon at 2:00 o'clock in the afternoon.

1. To choose a Moderator for the ensuing year.

2. To Choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school dis-

trict officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

7. To see what sum of money the district will vote to raise and appropriate to meet the anticipated deficit. (Well, Boiler and Leach Field)

8. To see what sum of money the district will vote to raise and appropriate to relocate the line fence at Searles School.

9. To see what sum of money the district will vote to raise and appropriate to grade the Milos lot at Searles School.

10. To see what sum of money the district will vote to raise and appropriate to point the tower and repair tower roof at Searles School.

11. To see if the district will authorize the school board to withdraw monies and accumulated interest in the hands of the trustees of trust funds for the pointing of the Searles tower and roof.

12. To see what sum of money the district will vote to raise and appropriate to grade and surface the area used for outdoor basketball at Searles School.

13. To see if the district will authorize the school board to negotiate, bring suit, compromise, settle and do any other thing necessary to

protect the interests of the district in connection with the proposed taking of district land for relocation of Route 111.

14. To see if the district will authorize the school board to accept gifts in the name of and in behalf of the district.

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Windham, this 22nd day of February, 1963.

**DIVISION OF MUNICIPAL ACCOUNTING**  
**STATE TAX COMMISSION**  
**Concord, New Hampshire**

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

August 21, 1962

The School Board  
Windham School District  
Windham, New Hampshire  
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Windham School District for the fiscal year ended June 30, 1962, which was made by this division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets: (Exhibit A)**

Comparative Balance Sheets as of June 30, 1961 and June 30, 1962, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$15,284.99 during the fiscal year ended June 30, 1962. Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

**DECREASE IN NET DEBT**

Bonds Matured and Paid	\$ 15,000.00	
Increase in Accounts Receivable	233.97	
Deficiency Appropriation	<u>2,600.00</u>	
		\$ 17,833.97

**INCREASE IN NET DEBT**

Net Budget Deficit	\$ 2,198.98	
Increase in Accounts Payable	<u>350.00</u>	
		<u>2,548.98</u>
Net Decrease		\$ 15,284.99

**Comparative Statements of Appropriations and Expenditures -**

**Estimated and Actual Revenues: (Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1962, are presented in Exhibits C and D. As indicated by the Budget Summary

(Exhibit D), a net overdraft of appropriations of \$2,286.79, less a revenue surplus of \$87.81, resulted in a net budget deficit of \$2,198.98. Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1962, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1962, is indicated in Exhibit F. Statement of Bonded Indebtedness: (Exhibit G)

A statement of outstanding bonded indebtedness as of June 30, 1962, showing annual debt service requirements, is contained in Exhibit G. Statement of School Tax Account: (Exhibit H)

A statement of the School Tax account with the Town of Windham is presented in Exhibit H. As indicated therein, as of June 30, 1962, the School District had received from the Town the total amount of the 1961-62 School Tax plus \$6,600.00 of the 1962-63 School Tax. This represented a deficiency appropriation of \$2,600.00, which was made at the annual district meeting in March, 1962, plus an advance of \$4,000.00 on the 1962-63 School Tax. The amount of the advance is shown as a liability account in the Balance Sheet (Exhibit A).

#### GENERAL COMMENTS

##### Current (Deficit)

It is noted that the current deficit (excess of current liabilities over total assets) decreased from \$1,367.10 to \$1,082.11, during the fiscal year ended June 30, 1962, as shown herewith:

	June 30, 1961	June 30, 1962
Total Assets	\$127,908.15	\$6,736.56
Current Liabilities	<u>129,275.25</u>	<u>7,818.67</u>
Current (Deficit)	(\$ 1,367.10)	(\$1,082.11)
Conclusion:		

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of the findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Windham School District for their assistance during the course of the audit.

Yours very truly,  
Harold G. Fowler, Director  
Division of Municipal Accounting  
State Tax Commission

Hugh J. Cassidy, Auditor

### SCHOOL HEALTH REPORT

The ability of a child vitally affects his learning ability. Only a healthy, happy child can get the most from educational opportunities offered. The school nurse-teacher's program is set up with this goal in mind.

A pre-school registration clinic is held in May for all children entering school in September. Vision, hearing and motor coordination tests are done at this time. A dental hygienist is present to examine teeth and make necessary recommendations. The nurse has an opportunity to get a complete medical history on each child. Nineteen children were registered in May, 1962.

After your child enters school he will have a vision and hearing test done once each year. He will also be weighed and measured yearly to note poor growth development or unusual weight gain or loss. I wish to point out that the visual tests are adequate for school use but are simple screening tests for a few eye difficulties. If your child has not been referred by the school nurse but complains of eye difficulty, please have a complete examination done. A health record is sent home for each parent to fill out. These should be filled out carefully as they are used for emergency information. It is important for the school to have someone to contact in case of illness or accident. In cases of epidemic virus or communicable disease it is impossible for the school to assume transportation responsibilities.

A tuberculin patch testing program has been inaugurated whereby any child, whose parent so desired, was patched last year. In sub-

sequent years grade one, three, five and eight will be able to receive the patch test yearly. An X-ray unit is set up at Grinnell School in Derry so that those children with a positive reaction can be X-rayed.

A dental education program is carried on in the school with the aid of the state dental hygienist. She visits the classrooms three times a year to assist the teacher in securing materials and planning her teaching program.

Many services are available to children who have need, either through a state agency or private organization. Parents may apply through the school nurse-teacher for such services. Children with speech defects may attend the speech clinic at the Manchester Rehabilitation Center if their schedule permits. Clinics are available for all types of handicapped children including pediatric, orthopedic, cancer, heart and also child guidance. These are but a few.

There are many more facets of the school health program but the preceding may give some idea of the role of the school nurse-teacher.

#### REPORT OF THE ASSISTANT SUPERINTENDENT

In the short space of fifty years the automobile has replaced the horse and buggy; airplanes fly from coast to coast in less than four hours; radio and television keep us in close touch with the world by the twist of a button; pushbutton devices of every kind have brought about fundamental changes in our mode of living.

Our schools have also changed. Just as medicine and surgery and technology, business management and selling have moved ahead in the knowledge of what to do to achieve desired results, so has education. Modern schools are doing for today's children and tomorrow's citizens what schools fifty years ago never thought of doing, nor were equipped to do. Schools are changing because times and insights are changing. In the past fifty years more has been discovered about how learning takes place than in all the centuries before. Among these discoveries is the fact that individuals differ in all sorts of ways;

therefore, teaching methods vary from individual to individual as a result of this knowledge. No longer do teachers attempt to press all children into a single mold.

It seems natural to assume that, because people accept mechanical innovations, they also accept change in schools. Unfortunately this is only partially true. Even though modifications in the schools have occurred as a result of scientific discoveries in how learning takes place, many people still want the schools to remain the same as when they went to school. There seems to be some confusion as to what schools should be doing for children. The common schools of the United States were founded on the assumption that, if the people were literate, they would have access to the truth; if they had the truth, they would automatically be independent and democratic. We know now that recognition of the truth takes more than mere ability to read, write and compute. For example, today's citizens need many different kinds of skills. The skills required for democratic action must be taught anew to each succeeding generation because democracy represents a continually developing concept. Schools of modern design, while they in no sense underestimate the essential nature of the basic skills, do recognize that many additional skills in all areas of living -- social, physical, emotional, and mental -- must be taught children in an environment of reality which is conducive to their effective assumption of the citizenship role in society.

We as adults, must think of the schools in terms of the present day world. We must be aware of the basic changes and challenges which confront individuals and groups today.

I believe that a good school:

1. shows concern with all-around development -- social, mental, emotional, and physical
2. recognizes each child as an individual with unique potentialities and limitations
3. strives constantly to help each child develop his powers and overcome his limitations
4. establishes the climate which assures to the utmost extent that each child
  - a. feels he belongs, has opportunity to contribute as well as receive
  - b. develops a feeling of security
  - c. is loved and respected for what he is as an individual as well as for what he may become
  - d. is encouraged to ask questions
  - e. is helped to understand and develop values

- f. is helped to develop skills and appreciations
5. should aid children in ways of working satisfactorily as members of groups
6. should aid children to acquire attitudes, understandings, knowledges, and skills needed to work according to the democratic processes which are the foundation of American culture.

The schools may only accomplish to the degree that the public gives it support both by attitude and in the form of appropriated money. School budgets will increase each year as more and more youngsters enter school. We will need more rooms, more teachers, books and supplies.

I believe the most important school budget item is the teachers salary. Without the guidance of a top notch, dedicated teacher the fine classroom containing the best furniture, books and supplies is wasted. Taxpayers all and parents in particular must decide what type of education they want for their children and what they can afford. Communities bordering our towns have indicated that they will advance starting salaries to \$4,500.00 thus matching the Massachusetts state minimum. What effect will this have on the towns in Union #10? We no doubt will have a very difficult time filling all vacancies with qualified teachers. Some of our schools began the school year with substitutes. We need replacements in the same schools right now and have been unable to find qualified people. Our problem is not only that of attracting new qualified teachers but also of holding the good teachers that we have.

Respectfully submitted,  
ROBERT W. DOLPH,  
Assistant Superintendent

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the Windham School Board:

I herewith submit my twenty-first annual report as superintendent of schools.

### STATISTICAL REPORT

The actual enrollment of grades one through eight on January 15, 1963 was:

	Grade								
School:	1	2	3	4	5	6	7	8	Total
Center	30	26	25	35	19	21			156
Searles							<u>24</u>	<u>33</u>	<u>57</u>
	30	26	25	35	19	21	24	33	213

The number of Windham pupils who were in attendance at high school on January 15, 1963 follows:

#### Statistics for Year Ending June 30, 1962

Total Registration	234
Half days schools were in session	360
Average membership	208.9
Average attendance	194.5
Per cent of attendance	93.1
Pupils transported at district expense	190.0

Graduation exercises were held June 14th, 1962. Twenty-four pupils received certificates following appropriate exercises presented by the graduates. Those who completed the eighth grade were:

Ernest Jon Alix	Mervyn R. Gilcreast, Jr.
Alan R. Armstrong	Linda Ann Glance
Harvey Edmund Bergeron, Jr.	Mary Lou Holm
Nancy Mae Clark	Barbara Elizabeth Moeckel
Dawn Maria Curran	James George Nassar
Rosalind Eleanor DeNicola	Paul Dana Root
Beverly Ruth Despres	Joyce Carolyn St. Pierre
Mary Elizabeth Devlin	Barbara Eileen Stevens
Elaine Doiron	Patricia Ann Tate
Ross Alan Emerson	Willard John Wallace
Bruce Martin Emerson	Richard John Wecker
Michael Anthony Fletcher	Frank Anthony Wright

#### PERSONNEL

There were no staff changes. This is the first time for several years that this is true. It is desirable and advantageous to have stability in staff. There is less lost time at the opening of school and the pupils are acquainted with the teachers even though they may not have studied under them. Mrs. Kelley and Mr. Metevier continued to instruct in the field of music and handwriting. Both of these programs make a distinct contribution to the educational progress of the individual. The success of Windham pupils generally at secondary

level is evidence of the accomplishments of pupils and teachers in the schools.

### INSTRUCTION

The instructional aspect of the educational program is receiving an increasing amount of emphasis at all levels (national, state and local). The impact of the National Defense Education Act is seen in the amount of visual education equipment that is available in schools. The use of materials available in this area, visual aids, is possible only when the equipment is available.

There are advances in methods of instruction that will also make an impact in the classrooms.

Team teaching will probably not affect the classrooms of New Hampshire towns. This can be utilized in situations where there are several teachers to a single grade. It is not departmentalization as we know but much more than this. It is as indicated not practical in our situation.

There is however a method that can be adapted to the local situation that has been used successfully in several communities. Boston University pioneered in the field of team learning. This method can be used where there is a self contained classroom and a teacher who is willing to devote a considerable amount of time to evaluating the abilities of her pupils so that 2-3-4 pupils of equal abilities can be grouped to work together. In those communities where it has been used it has resulted in tremendous advances for many youngsters. In one community it resulted in a curriculum revision. It revealed that certain subject areas were not challenging and the content could be increased.

In addition machine learning - programmed instruction are making somewhat of an impact. There are several commercial outlets that have such programs. This type of instruction uses the technique of moving by simple steps from the known to the unknown. The use of the machines and the programmed instruction must be scrutinized closely. The problem is to establish the probable result from the use of the materials. The indiscriminate use of these materials is not at the present time advisable.

### PHYSICAL PLANT

The relocation of Route 111 will, it is hoped, improve the appearance and the usefulness of the plant and grounds. The loss of some land will be offset by the opportunity to grade so as to provide better play areas. In addition the development of approaches to 111 from Lowell Road seemingly will permit the development of a good parking

area. It will also permit some landscaping to enhance the appearance of the building.

The current plant facilities are adequate for a modern educational program. The efficient use of space, furniture and equipment will offer Windham pupils a fine educational opportunity.

The opportunity to serve the pupils of Windham for the past two decades has been a privilege. The cooperation of all has made it a challenging experience to try and provide a fine educational program. It is my fervent hope that continued educational progress will be maintained.

Respectfully submitted,  
EVERTON H. PARKINSON,  
Superintendent of Schools
